MEMORANDUM FOR

Henry Kissinger

FROM THE PRESIDENT

I am still waiting for a report on how we can cut the civilian and military presence in Saigon. We have been in almost a year now and there is no cut of significance. The place has swollen to the bursting point with Americans falling all over each other. I want some drastic action taken, both in the civilian and the military front in this respect. Give me a report in a couple of weeks.

Nothing else sent to Central Files as of 11/21/69 L.B.
